Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Agriculture Education Barn in Fiscal Year 2027. The entity to receive funding for this project is the Cimarron Municipal Schools, located at 165 N Collison Ave. Cimarron, NM, 87714. The funding would be used to build an Agriculture Education Barn facility for students to access learning opportunities in the field of Career and Technical Education (CTE). The project is an appropriate use of taxpayer funds because it will provide an appropriate and adequate learning facility for the students of the rural community of Cimarron.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a). I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Teresa Leger Fernández
Member of Congress
