Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Texico for Waterline Replacement in Fiscal Year 2027. The entity to receive funding for this project is located at 219 N Griffin Street, Texico, New Mexico 88135. The funding would be used to replace aging water distribution lines to protect public health and improve system reliability. The project is an appropriate use of taxpayer funds because it will ensure the City can reliably deliver water to homes, businesses, and emergency services.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. (Drinking Water Projects).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Teresa Leger Fernández
Member of Congress
