Dear Chairwoman DeLauro and Ranking Member Graves:

I am requesting funding for the San Juan College Student Health Center in fiscal year 2022.

The entity to receive funding for this project is San Juan College, located at 4601 College Blvd., Farmington, NM 87402.

The funding would be used for the establishment of an on-site student health center that would provide medical and mental health care and support. A Student Health Center would bring preventative and immediate care, as well as counseling, health education and outreach to the College's students. Students learn better when they are healthy and are more likely to persist and succeed.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Teresa Leger Fernández
Member of Congress
